This is only for State plan Medicaid, not the waiver.

Brenda,

Does this include Skilled Nursing assessments and visits, modification or changes to clients personal care aides? Does this include client we are currently waiting PA's for and clients coming off hold?

Thank you

Subject: Prior Authorization Removed for Home Health

Attention Home Health Providers:

In an effort to eliminate any barriers to care that might exist in relation to the COVID 19 virus, we are going to temporarily remove the prior authorization (PA) requirement for home health, effective with date of service 3/17/2020 and forward. We will provide warning ahead of time before we reinstate the PA requirement in the future.

Claims that are submitted for payment may be reviewed through our utilization management vendor.

Please let us know if you have any questions or concerns.

Thanks - Brenda
