

# Provider Training Calendar 2021

## How To Register for Provider Training

Wyoming Medicaid providers are encouraged to register for provider trainings via the GoToWebinar application as soon as possible.

To register, complete the following:

1. View the Provider Training Calendar.
2. Select the specific training to register for and attend. The GoToWebinar page opens in a browser window displaying the selected training, selection for dates and times available, and requested information required to complete registration.
3. Select the specific date and time from the available options in the drop-down list.
4. Enter provider's First Name, Last Name, and Email Address in the applicable fields.
5. Select the blue Register button.

Upon completion of the online registration, providers receive a confirmation email from the GoToWebinar application. This confirmation email includes key information, including:

- Date and time of the selected provider training
- Join Webinar link – Select to join the online provider training at the specified date and time
- A link for checking computer system to ensure there are no connection issues during the online webinar (this checks the provider's Operating System [OS], web browser, and internet connection strength)
- Options for audio during the webinar (computer audio or telephone)
- Webinar ID Number
- Option to cancel registration for the online provider training
