

BACKGROUND

The Provider Portal can be accessed by providers using the Wyoming Medicaid Website address : <https://www.wyomingmedicaid.com/>

Providers access the Provider Portal from the Provider tab on the main page of the Medicaid website. Select "Provider" tab and click on 'Provider Home' drop down, the system will display the Provider Home page.

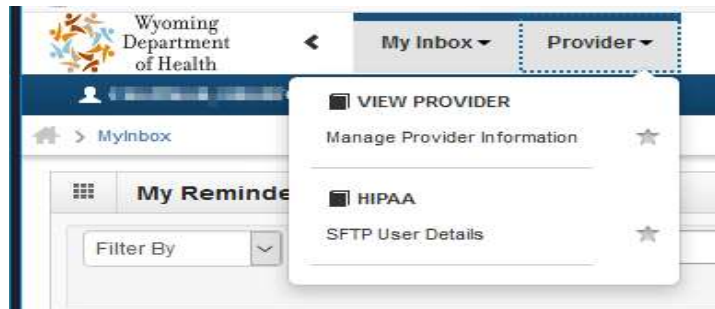

Provider Home

Click the link under the New/Returning Providers section to access the Provider Web Portal. With regards to web registration, please click on 'Web Portal?' link.

Within the Provider Portal, providers will be able to perform the following tasks:

Under the Provider Tab:

Providers will be able to:

In Manage Provider Information link

- View the following information like basic information, location details, taxonomy details, and other provider related information
- Add/modify Mode of Claim Submission information
- Associate a Billing Agent/Clearing House

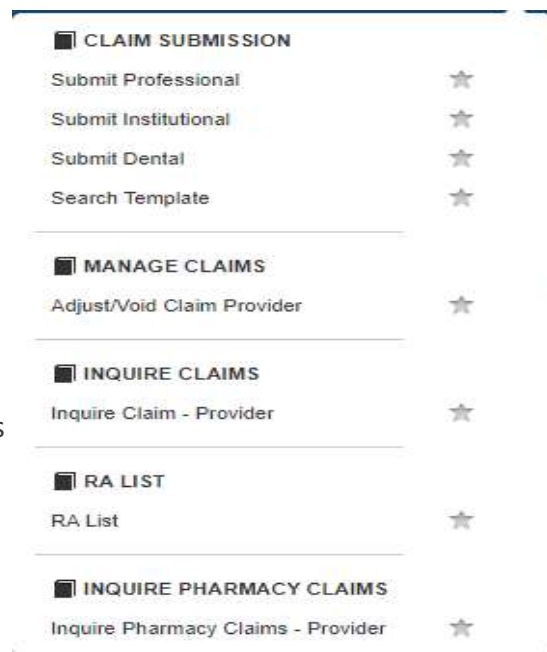

In SFTP user Detail link

- Create an SFTP User and Reset the SFTP User password

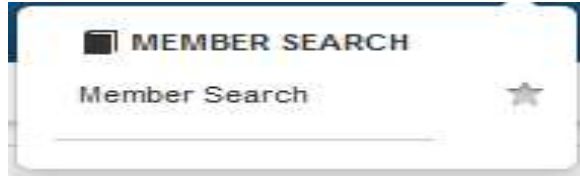

Under the Claims Tab:

Provider will be able

- Use direct data entry option and submit
 - Professional Claims
 - Institutional Claims
 - Dental Claims
- Use a template and submit the various types of claims

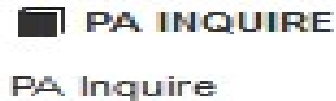

Under the Member Tab:

Provider will be able to

- Member Eligibility Information
- Member Demographic, Benefit Plan, Patient Pay
- Lock-in Restrictions

Under the PA Tab:

Provider will be able to

- View Prior Authorization Request by them for the various services
